

## CONTACT US PAGE:

The screenshot shows a contact form on a website. At the top, there's a header bar with 'Fresh Reads' on the left and 'Home', 'Store', and 'Contact' buttons on the right. Below the header is a title 'Contact Us'. The main area contains three input fields: 'Name', 'Email', and 'Message', each with a descriptive label above it. A 'Send Message' button is at the bottom of the form. At the very bottom of the page is a dark footer bar with copyright information and contact details.

any inquiries? email FreshReadsBook@gmail.com

This screenshot is similar to the first one but includes a developer tools window on the right side. The tools show the HTML structure of the page, including the header, contact form, and footer. The CSS styles for the body element are also visible, detailing font sizes, colors, and backgrounds.
